BRIAN ROBINSON , 21 yo Under ground street racer, walks through crowd to his car, (RACING TEAM STICKERS ON WINDSHIELD & BACK WINDOW.)

DOG DOUG aka DOG ROBINSON,42 yo ex drag car mechanic/fabricator. Mother and father passed away from old age and natural causes.younger brother BRIAN and him used to build and race cars together. Dogs brother was the racer, Dog was the mechanic and fabricator. They were a great team together.Never had alot of money to build better cars, But with DOG`s crafty mechanic skills taking used junkyard parts and engines then building them to work well.

DOG is finishing up with his last tuning tweaks under the hood,
BRIAN

So what do you think?

DOG

(as he closes hood)

I think shes ready to go! and win!!

DOG

I feel she will beat anything shes lined up against.

EXT./PARKING LOT-STREET RACERS MEETING SPOT/ NIGHT.cont.

BRIAN

GOOD to know cuz im all set to race in 5.

DOG goes to the back of car, crawls under adjusts something back there as BRIANS talking and getting set to race. as DOG under cars rear,

DOG

Who are you racing? and how much for?

BRIAN

Im racing a modifided hatchback with a big block NEAL JEFFERY race engine and a blower. for 5 grand.

DOG crawls back out from under car,walks to open drivers window, leans in.

BRIAN

Ya think can beat him?

DOG

Shouldnt be a problem, i upped your NITROUS JETS from 125 to 250, softened up the suspenssion rear to hit harder out of the hole.

BRIAN

(shocked)

You think it can take that much????

DOG

Sure do, because i built the engine and set up the cars chassis.

Why didn't you just tell them that then?

LUKE

Few days ago when here for work, I Spotted a turbocharger. That I want to put on my car for them street races..

LUKE

Plus, we don't have enough money for it to buy.

JOSLYN

So how do you thinking we to get it then?

LUKE

I told him wrong part, So as to he wouldn't come bothering me while I pull that badboy turbo off. Just need you to look sexy and watch out for me.

LUKE

When its off and out, We put it inside tool box. Covered up with tools, Then tell em we couldn't find the right engine with the head we needed....then we leave, free and clear.

LUKE,JOSLYN, Reach the vehicle with the turbo. LUKE sets up tool box.

LUKE

Okay, I'll pull this off as fast as I can, Just keep watch,an eye out for anyone else.

HEATHER

Yo, what the fuck is going on?

KEVIN

Not sure vehicle just lost power and came to a stop.

KEVIN

ill get out and see what it is...

KEVEN Puts vehicle in to park, unbuckles and gets out, pops hood open. KEVIN walks to front vehicle sees steam coming out heavy, sees water/coolant dumping on ground.

Hood popped open, KEVIN looks around at engine.

KEVIN

OH FUCK!!

KEVIN upset KICKS front Bumper of vehicle. Walks back to pass side door opened window.

HEATHER

So what's wrong with it?

KEVIN

Well I Believe the WATER PUMP is fucked. Can also see the top radiator hose is RIPPED wide open.

HEATHER

(bitchy)

Come on what the hell we gonna do now, we are suppose to be at camp grounds by dark to check in.

AUTUNM gets out of vehicle, comes up to HEATHERS side window.

LEE, gets out looking over vehicles engine.

Lee

I don't know shit about cars, but yea looks fucked up to me.

Lee

Yea don't look like we will be making it camping before dark.

LEE gather up to KEVIN at pass side door, to figure out what to

do in this situation.

AUTUMN

We can call a tow truck, you got triple A right ????

LEE

OH HELL NO!

LEE

Tow truck drivers call cops, and I got all this weed on me. That's Not going to happen. Don't feel like going to jail today.. Thank you very much.

KEVIN

Yea, He's right we don't need no cops here. We just got to figure out how to get it fixed and be back on our way....

AUTUMN, looks online on phone.

AUTUMN

What do you need to fix it?

KEVIN

Well.. Probly just a good water pump for this engine and a hose.Then Top off coolant.

LEE wonders off by shoulder of road, not far away throwing rocks deeper into the woods/field.

LEE

(Yells)

YEA, how the hell we gonna get all that. Is a little green guy in his ship going to deliver it to us?

Heather

Come on now we in the middle of no where's . There's probly not a parts store or a auto garage for 5 to 10 miles from here.

AUTUMN continues to look for help online on phone.

LEE still throwing rocks.

AUTUMN, HEATHER, KEVIN, all talking on side of vehicle. Window down.

HEATHER, AUTUMN, on passenger side HEATHER with window down, AUTUMN leaning on her door.

KEVIN, lites up a joint, shares with heather.

AUTUMN

Seems there's a junkyard close by. Looks like they are open now. We can go there get parts come back here and fix vehicle. Then make it back in time to make it to camp grounds by dark.

LEE

Okay, it shouldn't take long to pull parts there and then come back here and repair it enough to get us to camp grounds.

Heather

How far is it from here..

AUTUMN

Looks like its really close, only few mins drive.

LEE

How are we going to get there.

HEATHER

Yea but they saying driving. We obviously can't drive there.

AUTUMN

Guess we gonna have to walk it then, couldn't be more then a hour walk.

HEATHER

Babe, I didn't plan to walk that much today. I am hungry, I'm

tired.

KEVIN

Well you guys can stay here while I walk there and get the parts then come back to fix it?

LEE

NOPE! Not Happening. We walking together there we came this far together so we walk together to this place get these parts get back and get on our way.

AUTUMN

How did you even in college anyways being high all the time?

Heather takes joint/bowl from Kevin to take a hit.

KEVIN

Easy, I'm taking the easiest courses, (caughs up) laughs.

KEVIN

.....photography!

HEATHER

photography, what the hell are you taking that for. What are you trying to do with your life?

KEVIN

I am gonna be a PORN Director/ Producer.

After all this bulshit we've gone through i could really use a beer, and rest.

KEVIN

Yup! All done here, i just finished pulling the last part as you guys found me.

HEATHER

Good deal, i got a awesome suprise for later.

KEVIN

Oh yea...? like something sexxy with you and i alone in our tent?

HEATHER

(Flirty like)

No not like that, more like a suprise for everyone.

KEVIN

(PUZZLED)

Everyone?Like what kinda suprise you got for everyone?

HEATHER

When we are out of here and at camp, chilling by campfire with some drinks in our hands, food on our plates, having a good time..

Ill make a anoucment.

KEVIN

Okay baby.

LEE

Out of here, chilling at campfire with some drinks sounds really good right about now.

KEVIN

Hey Lee, wheres ur sister?

LEE

Oh shes back up at the office, waiting to see if the owner comes back to so she can find out how much time we have left til he leaves.

KEVIN

You really trust her alone up there?

LEE

Yea shes okay, shes probly playing on her phone.

KEVIN

Yea, good thing a junkyard not no place for a kid, let alone a female.

Theres all kinds of sharp metal laying around, things she can trip over. Not good place for her anyways.

Well, lets pack up tools, grab parts and get out of here then.

KEVIN, LEE all grab parts, tools, while HEATHER walks ahead.

AUTUMN sees LEE in the near distance,(100ft or so away) AUTUMN takes off full stride running to LEE.

JOSLYN walking as fast as she can after AUTUMN.

AUTUMN and LEE have a short brother / sister embrace hug, LEE Wraps his arm around her.

LEE

Hey why are you here in the yard?

LEE

You were supposed to be in the office waiting for us, and waiting for the junkyard owner to come back before he closes up.

AUTUMN

I got scared, heard a loud noise and I ran out of there. I wanted to come find you.

KEVIN sees JOSLYN coming up to them, KEVIN goes to help her with her limping get to LEE and AUTUMN.

They both tell LEE and KEVIN that they have to get out of there fast.

AUTUMN while in her brother LEE's arm starts to tell about the man in the metal mask that she heard about from JOSLYN.

AUTUMN

We got to get out of here, there is someone out there killing....

JOSLYN interrupts AUTUMN as she's telling LEE and KEVIN about what she told AUTUMN.

JOSLYN starts telling about what she saw, and how she was attacked and how she got away.

JOSLYN

My BF and I were here, he was trying to steal parts. I was supposed to be watching out for him, so he didn't get caught.

JOSLYN

I got distracted and when I found him he was dead.

JOSLYN

(starting to cry again)

He got my boy friend. He killed him, ripped his throat out.

There was so much blood, everywhere....

JOSLYN, blaming herself for her BF death.

JOSLYN

It was my job to watch out for him, had i been there watching out. it wouldnt have happened, and my BF would still be alive.

LEE and KEVIN act both stunned by the news that they just heard.

KEVIN, looks back to where they have just walked from when the left HEATHER behind to pee.

EXT /JUNKYARD/ EVENNING (CONT)

JOSLYN continues telling them her story.

JOSLYN

I saw him after i found my BF, i dont think he seen me, i ran to hide.

JOSLYN

While running i tripped and fell down hit my head on the ground thats how i bruised my face and twisted my ankle.

JOSLYN

While i was on the ground hurting i crawled behind some cars, and hid.

While i was hiding i saw him. He was huge, had a metal mask covering his face. I waited and waited hiding in the same spot, i didnt dare move, fear that he would find me too. Thats when i saw AUTUMN, i came out from behind the cars and limped and then i met AUTUMN.

JOSLYN

We have to get out of here, and get somewheres safe, call the cops.

Joslyn

we have to get out of here, he will get us all.

JOSLYN

we need to keep look out for the man in the metal mask....

If we see him we need to run and hide fast. He will kill us
ALL!!!

LEE

Alright, your both here with us now, im not going to let
anything happen to either of you.

LEE hugs sister tighter.

LEE

We will get out of here, but we need to find HEATHER. She was
left short distance back so she could pee.

EXT /JUNKYARD/ EVENNING (CONT)

LEE, KEVIN, AUTUMN JOSLYN, all head back to go find HEATHER.
While walking back to where they left heather to pee.

KEVIN sees something out the corner of his eye dart pass between
some cars.

After KEVIN stops dead in his tracks.

KEVIN

There he is, i seen him go between those cars.

LEE, AUTUMN, JOSLYN, all stop walking Looking back at KEVIN as
hes telling them.

JOSLYN

Did he see us? We got to go get out of here.

KEVIN

I dont know i only saw out the corner of my eye, didnt get good
look, happened so fast.

JOSLYN

If he saw us we need to hide, we will be coming for us..
